**THIS MATTER** is before the Court on the parties' Joint Motion to Consolidate [Doc. 27].

The parties move pursuant to Rule 42 of the Federal Rules of Civil Procedure for consolidation of the 48 related cases identified in Appendix A hereto (the "subject cases").

Rule 42 of the Federal Rules of Civil Procedure provides, in pertinent part, that "[i]f actions before the court involve a common question of law or fact, the court may: (1) join for hearing or trial any or all matters at issue in the actions; (2) consolidate the actions; or (3) issue any other orders to avoid unnecessary cost or delay." Fed. R. Civ. P. 42(a). Under this provision,

actions may be consolidated for one, many, or all of the phases of litigation. Hall v. Hall, 138 S. Ct. 1118, 1130 (2018).

Upon careful review of the parties' motion, the Court finds and concludes that the subject cases involve overlapping parties, a common set of operative facts, and common questions of law. The Court further finds and concludes that consolidation of these actions would avoid the risk of inconsistent decisions, would decrease the burden on the parties, and would promote judicial economy. Accordingly, the parties' motion to consolidate is granted.

**IT IS, THEREFORE, ORDERED** that the parties' Joint Motion to Consolidate [Doc. 27] is **GRANTED**, and all of the cases referenced in Appendix A attached hereto are hereby consolidated. Case No. 1:23-cv-00129-MR shall be designated as the lead case, and all future filings shall be in the lead case only. The Clerk of Court is respectfully instructed to administratively close all of the associated member cases.

**IT IS FURTHER ORDERED** that, within **fourteen (14) days** of the entry of this Order, the parties shall prepare and submit a Certificate of Initial Attorneys' Conference pursuant to Rule 26(f) of the Federal Rules of Civil Procedure and Local Civil Rule 16.1.

**IT IS SO ORDERED.**
